👁 11 ✓ 0 ⭐ 2

## Chapter 1 by Anthony

One day in Illinois lived a man who was a farmer. The property was all his, all 15 acres. On his farm he had all sorts of vegetation, plants, and even livestock.

One of his animals was a decent sized black duck. This duck was different than all other ducks due to the fact that it spoke English. The farmer would find himself wasting time arguing with the animal about needless things. These needless things ranged from vehicles, politics, to even food.

Little did the farmer know was that his other livestock had different types of skills. He had a horse that would laugh at everything.
